

# El Uso del Trazador Fluorescente en Producción de Flores, Bananos y Papas en Ecuador

Harari Homero, Albuja Gonzalo, Harari Raúl  
Corporación IFA, Ecuador.

## Producción Bananera

FENACLE- ISCOD- IFA

Enfundador

Fumigador

Mano enfundador sin protección

Manos de fumigador sin protección

Cara de enfundador sin protección

Cara de fumigador sin protección

Mano Enfundador con guante roto

Brazo fumigador con guante

Residuos en suelo del cultivo

## Producción Florícola

Cultivo en Invernadero

PROMSA - IFA

Cultivo Abierto

Trabajadora de Cultivo/Cosecha

Fumigador

Manos Trabajadora de Post-Cosecha

Cara de bodeguero

## Producción de Papas

Centro Internacional de la Papa CIP - IFA. 2000

Pequeño agricultor

Manos Fumigador

Manos Fumigador

Cara Fumigador

Mesa del comedor de la casa

Lavadero de ropa

Cama del fumigador en su hogar
